Airport Commission Minutes

January 3, 2021
Georgetown County Airport
3:00 PM
File #: 316.23.40

Commission: Robert Dickson; Wyndell Peacock; Jerry Crosby; Peter Horn

Staff: Barry Brock (FBO Representative)

Citizens: Walter McElveen

Airport Engineer: Al Smith

cc: Theresa Floyd
Angela Christian

Robert Dickson called the meeting to order at 03:00 PM

Public Comments

Walter McElveen, representing our local FFAST Team, presented to awards of appreciation to our FBO and our airport management for their continuing help and support of the FAA FFAST Team

Minutes from Previous Meeting

The November 2021 Meeting Minutes were approved.

FBO Report

Seven Rivers reported 267,533 gallons sold in 2021. This is an increase from 216,000 gallons in 2020. December of 2021 fuel sales were an increase of 100% over December 2020. We have more aircraft based here and could have done it without hangars. Also the increase was attributed to people using private aircraft more because of COVID and reliability. Jim added, that our ops counts were up 39% over 2019 and 35% over 2020. Wyndell added, let's show the County Council we need additional hangars. Jim explained that he is working with a group that wants to construct 50,000 sq.ft. of hangars here and we get the same net result without spending funds for construction.

Engineering Report

Land acquisition project-Only one hold out remains. 5/23 project about complete-grooving begins soon. Apron rehab/reconstruct project design work starts next.

Airport Manager's Report

Items discussed.

- CIP was changed several times in the last 45 days on the request and suggestions from the FAA Atlanta.
- Al Smith came up with a roughly \$2M price tag to mill the center 75' of runway 11/29, add asphalt to this area, and add new runway lights; know this would be a short term fix.
- Moore Doar settled \$100,000
- EDA will not do the taxiway extension to and past Chandler's hangar. EDA is a 80/20 grant, Jim asked State Aeronautics to cover the 20% local match of the EDA.
- PHH back on NEPIAS
- GGE receiving \$259,000 from the new infrastructure package.

Old Business:

Discussed under Airport Manager's report.

New Business

- None

Executive Session

- Yes

Strategic Plan Update

- None

Airport Commission Report

- None

- The meeting adjourned at 3:27 PM.
