OPENING DATE: Wednesday, March 09, 2016 **OPENING TIME: 3:00 PM (NIST Eastern)**
Bid Opening Location: Georgetown County Historic Courthouse, Suite #239 (Purchasing)

MANDATORY Pre-Bid Site Inspection: Thursday, February 25, 2016 at 11AM ET On Site

PROCUREMENT FOR: Timber Harvesting at Georgetown County Airport (KGGE)
Commodity Code(s): 99863

This addendum will amend **Bid #16-019, Timber Harvesting at Georgetown County Airport (KGGE)** originally issued on Friday, February 12, 2016. This clarification is being provided to all known and registered correspondents in response to questions received. All addenda and original bid documents are also available online at: www.gtcounty.org, select "Bid Opportunities" from the *Quick Links* box on the home page.

A copy of the registration/sign-in form for the Mandatory Pre-Bid Site Inspection is attached. Those firms with a representative in attendance will be those qualified to submit an offer.

The following items were discussed during the site inspection, in no specific order:

- 1) Any additional questions or requests for clarification should be sent to Kyle Prufer, Purchasing Officer at kprufer@gtcounty.org OR purch@gtcounty.org and the responses will be returned by published addendum to all parties and posted on the County website.
- 2) Rather than mandate a required timeline for completion, the County has instead asked each firm to provide their "Time frame to Remove Timber" on Line 3 of the Mandatory Bid Submittal Form on Page 22 of 26. The tract with the higher priority is that parallel to the main runway, closest to US-17. There is a hangar construction project that is expected to begin in April.
- 3) All of the forms that must be returned with your proposal are listed on page 17 of the bid. The Certificate of Insurance need only be supplied by the firm awarded the timbering agreement.
- 4) The awarded contractor can coordinate with the Airport Manager, Rick Westfall, for the exact location of a deck laydown location. During the pre-bid, it was felt that the old road location behind the Horry-Georgetown Technical College, CATT Building, would be a possible suitable location. It is understood that timber would be dragged to that location.
