This addendum will amend **BID #16-084, HDPE Pipe Butt Fusion Machine** originally issued on Friday, August 12, 2016. This clarification is being provided to all known and registered correspondents in response to questions received. All addenda and original bid documents are also available online at: <http://www.georgetowncountysc.org>, select Quick Links, "Bid Opportunities" and "Current Bids."

Question 1: I received this addendum based on the question I asked yesterday but just needed to ask another couple of questions. This unit (A860801) does not come with a heater for the sidewinder and also does not come with any heater adapter sets for it and also no accessories for it. Just wanted to let you know that as if you guys want to change the bid on this as if you buy this way you will have no way to use it. Please let me know.

Answer: The part numbers were intended to help make the bidding process easier on bidders, but this seems to have had the opposite effect. Therefore, please ignore part numbers and bid according to specification item descriptions.
