ADDENDUM #3 TO BID #18-043

BID NUMBER: 18-043

ISSUE DATE: Friday, 07/13/18

OPENING DATE: Wednesday, August 1, 2018

OPENING TIME: 3:00 PM (Eastern NIST)

Bid Opening Location: Georgetown County Courthouse, Suite #239, (Purchasing Conference Room)

PROCUREMENT FOR: Hagley West Drainage Improvements, Phase 2

This addendum will amend **BID #18-043, Hagley West Drainage Improvements, Phase 2** originally issued on Wednesday, June 20, 2018. This clarification is being provided to all known and registered correspondents in response to questions received. All addenda and original bid documents are also available online at: <http://www.gtcounty.org>, select Quick Links, “Bid Opportunities” and “Current Bids.”

- 1) Q: We are bidding the drainage pipe on the above referenced project; however, we are unable to make the 4x2 box culverts in the Carolinas. We do make larger box culverts locally though. As such, we respectfully request that an elliptical equivalent (29" x 45") be approved as an alternative. This will provide for a more competitive bidding situation.
- A: **After further review of this request, we will allow the substitution of an elliptical equivalent pipe (29" x 45").**
- 2) A revised Exhibit H - *Unit Price Schedule* is attached to this Addendum. This schedule is intended for the convenience all parties in the event of change order execution. Additional items not individually listed in the unit price schedule may be associated with this project. The contractor is responsible for reviewing this project manual and all contract documents in their entirety. Any additional items not specifically listed in the unit price schedule should be included in item #57 of the revised schedule.

EXHIBIT H (REVISED) - (Mandatory Bid Submittal Form)
UNIT PRICE SCHEDULE
Hagley West Drainage Improvements Phase 2
GEORGETOWN COUNTY, SOUTH CAROLINA
RFP/BID # 14-001

When changes in the work are ordered by the Owner, and such changes involve the following items, the following unit prices will be used to calculate adjustments to the Contract Sum. These unit prices shall be for the Work as specified, including all labor, materials, equipment, accessories, shipping, preparation, insurance, testing, overhead, profit, applicable taxes, permits, fees, warranties and all other associated costs for the finished and completed Work. All unit prices for utility conduits shall include sweeps, bends, couplings, caps, fittings, etc. which shall be included in the unit price per linear foot. Unit prices for undercut soils shall include material in place, surveyed and compacted pursuant to the Contract Documents.

Submit unit price and proposal amount for the following items. This list may not include all components necessary to provide a completed product, therefore any applicable items necessary to provide a completed product should be considered in your unit price response.

In case of errors in the extension of prices, unit price governs. In case of error in summations, corrected bid amounts will be totaled and will govern.

Contractor shall be responsible for all necessary electric and water hookups.

Contractor shall make quantity take-offs using drawings to determine quantities to his satisfaction, reporting promptly any discrepancies which may affect bidding. This is not a comprehensive list of items included in the contract documents, and represents only a portion of the project total.

UNIT PRICE SCHEDULE.
