

## GEORGETOWN COUNTY VETERANS AFFAIRS

David Murphy  
County Veterans Affairs Officer

537 Lafayette Circle  
Georgetown, SC 29440

PHONE (843) 545-3330  
FAX (843) 545-3312

*May 15, 2020*

In preparation for reopening our office on May 18, 2020, Veterans Affairs requests that veterans and family members continue to handle business via fax, email or telephone if possible. For those who need to come to our office we strongly encourage that you please wear a mask. Our office is limiting walk-in traffic. For business that needs to be handled in-person with our office, please call and schedule an appointment.

If you have a smart phone, our office can process any claims or appeals over the telephone. We are still unfortunately unable at this time to make personal home and nursing home visits. If you know a veteran or a spouse of a deceased veteran that is house/homebound or in a nursing facility that needs our services, please call our office at 843-545-3330 or email me at [dmurphy@gtcounty.org](mailto:dmurphy@gtcounty.org).

To keep within the parameters that are in place with social distancing, our office personnel will be wearing masks and will not allow more than two individuals in our office lobby at a time. Also, the VSO and assistant will require that only one person at a time be in our personal offices to conduct business.

Thank you for understanding during this time.

Dr. David A. Murphy  
Veteran Affairs Officer

*Putting Veterans First*
